Property Description

Magnificent maison bourgeoise dating back to the middle of the 19th century with a private access to the Lot river. The house spans over 3 levels and offers large and bright rooms. On the ground floor we find the living areas with access to the gardens. A magnificent spiral staircase connects to the upper floors and the 8 bedrooms. In the middle of the beautiful park with mature trees there is a gatekeeper's cottage as well as stables and a sand school. The property is surrounded by more than 6 hectares of land, part of which overlooks the river. The property is located at the gates of a large bastide and close to all the shops. Whether it is for a tourist or equestrian project or simply for a magnificent family residence, this property offers many possibilities so do not hesitate to ask for a visit.
