Property Description

SOLE AGENCY: Charming property in a wonderful setting with spacious indoor-outdoor living spaces. The villa has a large, enclosed garden with privacy and a large, heated private pool (12 x 6 m) with a beautiful pool house with a fully fitted summer kitchen (barbecue and pizza oven), shower, toilet and a large lounge sitting area. In this true haven of peace there is also a boules court and a large double garage (44 m²).

The pretty driveway leads to the villa where you can easily park several cars. The country-style interior completes the charm of this beautiful villa. The rooms are spacious with direct access to the outside from almost every room. On the ground floor a spacious living/dining room with a stone fireplace and a very spacious kitchen. Both the living room and the kitchen have access to a terrace. There are 3 air-conditioned bedrooms, each with their own bathroom on the ground floor and there is a washing room. On the ground floor (the villa is built against a hill) are 2 more bedrooms each with a private bathroom and access to the outside. A wonderful home on the country side, for holidays or permanent living.

The villa is located just outside the lovely village of Lorgues (known for its large Provençal market on Tuesdays) and only an hour's drive from the seaside resorts of Sainte-Maxime, Saint-Tropez and the impressive Gorges de Verdon.
