Property Description

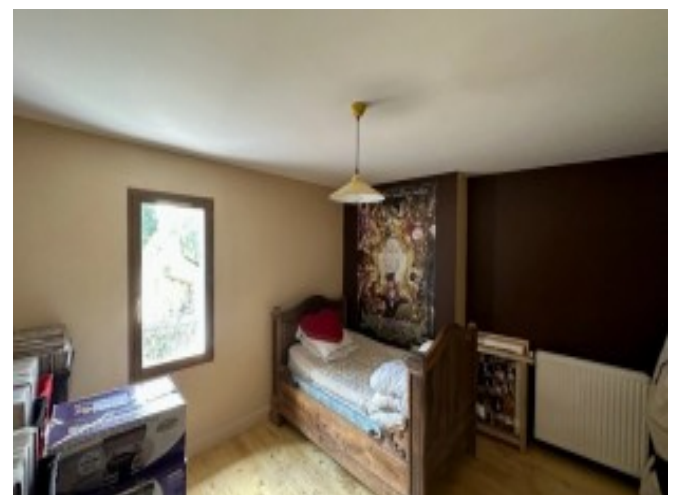

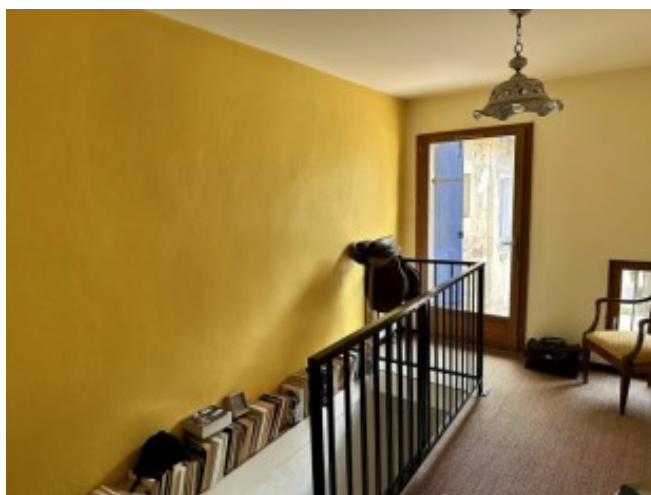

This beautiful stone property dating from 1600 with lots of character and river views is located just 15 minutes from Bergerac.

On the ground floor you will find a spacious lounge, bathroom, wc and kitchen with a door to the terrace at garden level where you can enjoy complete privacy.

There is second terrace, 2 spacious bedrooms, a study and a wc on the first floor and further large room on the top floor.

This property has many old features including original floors, windows, doors, a large stone fireplace and stone walls.

There is also access to the popular cycle path a few miles around the Dordogne in Bergerac and the property is minutes from shops and all amenities, 15 minutes from Bergerac airport.
