Property Description

This large village house towering above its private courtyard with a swimming pool and a landscaped garden is a peaceful heaven nestled in a village in the Aude, close to all amenities.

The house, on three levels, comprises 6 bedrooms, 1 bathroom, 3 shower rooms, a kitchen, a living room, a dining room, and further possibilities to create extra rooms on the top level.

The swimming pool is surrounded by a lovely garden complete with mature trees, shaded seating areas, a greenhouse and a well. The house is heated by a heat pump.

The house is currently run as a gite (a future owner would need to reapply for the necessary permissions) and has plenty of potential. This is a must see in this lovely area.
