## Property Description

This stunning stone property is ready to move into. This renovated property retains lots of character and charm, with stunning views, a swimming pool, balcony, private drive, no near neighbours and an attached garage. You enter into the hallway, with the kitchen off to the left, and the beautiful living room to the right. The kitchen is well equipped, with a range, a log burner, and exposed beams and walls. There is a large laundry room with plumbing for a sink, and leading from this is the modern bathroom with wc, sink and shower. The lounge has a log burner, and is full of character and light. Up the sweeping open staircase you are on the landing, which is stunning, with all the beams exposed, and off the landing are four good sized bedrooms and a family bathroom. The master bedroom has its own bathroom attached, and a lovely balcony from double doors opening out to make the most of the stunning views and pool. There are electric radiators throughout. This really is a beautiful house, and will be a wonderful holiday home or main residence.
