Property Description

This beautiful property in its pure Provencal style benefits a stunning and breathtaking 180 degrees panoramic view of the sea and the glorious Esterel Mountains.

Four large bedrooms whereof two on the ground floor, a living room with an open fire place, large terraces, laundry room, a "tropezienne" (little terrace on the roof), complement the villa which add up to a total living surface of 200m². An additional 60m² can still be built on the plot of land measuring 2323m².

The manicured garden with the lush Mediterranean species and several olive trees contribute to the very typical ambiance of the South of France.

Facing South, situated in a very quiet and residential area of Chateauneuf Grasse, very close to golf courses, trails and a forest, it enjoys walking distance to all major amenities and a 25 mn ride to airport and to Cannes.
