Property Description

Stone house 2 minutes from Cordes sur Ciel, with 3 bedrooms, 2 bathrooms. Located in a quaint village in the countryside, near a main road. Though some work is required (heating, insulation, decor), the two entrances and the two staircases make it easy to divide the property in 2. On top of that it is possible to create more living space in the workshop (subject to planning permission). All amenities just 2km away, Toulouse airport accessible in 1 hour 15 minutes.
