The Heslop & Platt team provided very professional and seamless advice & guidance in handling the sale of our apartment in France. We would have no hesitation in recommending Heslop & Platt to others contemplating a French property transaction.

We listened to a seminar that Barbara Heslop was running, and the key points she raised drew us in. It was the kind of service we wanted and got on a first attempted purchase and then our second final house.

[Mr & Mrs S – Greater London- December 2018](#)

Brilliant service, thank you! All aspects were carefully explained, and documents scrutinized on our behalf. The purchase process was “stress free” as a result.

Throughout what ended up being a complicated and drawn out sale of a French property, the way that the Heslop & Platt team handled the situation gave me complete faith that things would be finalized successfully as they should be and eventually were. I cannot recommend them highly enough.

If you are looking to buy in France, know that it is stressful and complicated. Working with Heslop & Platt took a huge burden off us and gave confidence to buy again. Can't recommend highly enough!

[Mr & Mrs S – Berkshire – August 2018](#)

Superb service, very clear pricing system, fast clear responses to queries. Would recommend your firm without a doubt.

[Mrs R – Ilkley – July 2018](#)

Barbara Heslop and her team made the purchasing of our property in France both incredibly smooth and an enjoyable experience. We were especially pleased that they knew the sellers' notaire already and had a lot of experience in the region. We were also most impressed with the range of contacts the team were able to call and to answer a complex land-rights query over the Christmas holiday break.

[Mr & Mrs D – London – July 2018](#)

We would like to thank Heslop & Platt for all their help with our property purchase in France.

It was very stressful until Heslop & Platt came on-board and then everything was much clearer and calmer! We would definitely recommend their services to any of our family & friends in the future should they decide to take the plunge.
